I. Introduction

Founded in 1976, the Virginia Legacy Soccer Club is a 501(c)(3) non-profit organization proudly serving the Peninsula. The Virginia Legacy is a full-service soccer club that is home to recreational, developmental and travel soccer teams providing opportunities for youth soccer players of all ages and abilities. The staff, coaches and volunteers aim to pioneer, develop, and continuously be on the cutting edge of youth soccer in the state of Virginia.

II. Club Mission and Philosophy

The mission of the Virginia Legacy Soccer Club is to provide fun, dynamic, and inspiring soccer experiences for youth players of all ages and ability levels from diverse backgrounds and regardless of financial means. By providing the highest quality recreational, developmental, and competitive soccer programs that promote players' physical, social, and emotional growth, the Virginia Legacy Soccer Club aims to continuously:

- Advance a reputation of excellence
- Engender the character values of teamwork, sportsmanship, and commitment among all players and families
- Foster a genuine love of the sport and an affinity for the club among all players and families
- Ensure the opportunity for each player to reach his or her greatest potential within the sport
- Contribute proactively to the betterment of our community through partnership with schools, universities, and surrounding city and county governments.

III. Player Development Philosophy

a. Develop the Player

Individual player development is what makes the VLSC the most successful club on the Peninsula. Our professional staff is dedicated to maximizing your players full potential within the game. Our individualized approach to develop the whole person, not just the player, is what we pride ourselves on and why over 350 of our players have moved on to play collegiately at the highest levels.

b. Develop the Club

We pride ourselves on creating a club culture where every player, no matter the level, are given the same opportunities to succeed if they choose to. It is important that our players are exposed to an array of information, which is why they are exposed to all of the VLSC Technical Staff throughout all the developmental STEPS while in the club.

c. Develop the Team

This third philosophy becomes a by-product of successful implementation of the previous two. As the players become better, through individual growth, by way of the developmental avenues provided by the club it is inevitable that the team becomes better

as well. In order to have a successful team you must have successful players. Players that take ownership in their own development, and bring that enthusiasm to the training environment, are the players that make our club successful.

IV. Code of Conduct

As a member of the Virginia Legacy Soccer Club we demand the highest of expectations from our players as well as their families. We remind you that you are representing the VLSC at all times and to conduct yourself in a respectable manner. We pride ourselves on having the highest quality members associated with the Club. At all times we expect players to respect all the relative participants in and around our soccer community including but not limited to coaches, officials, referees, players and parents whether they are other VLSC members or from opposing clubs. Any violation of this code will be handled in a case-by-case basis.

VI. Programs

PLAYER PATHWAY

Introduction classes that emphasize creative and fun games to focus on a love for the game and basic soccer skills.

1

Little Legacy U3-U4

Player-centric program that promotes learning, creative thinking, problem solving, skill development, and a love for the game.

2

ADP U6-U10

Development of soccer players who are technically proficient and ready to join the ranks of our travel teams. U9/10 Academy helps transition our players from ADP into our travel program.

3

ACADEMY U9-U10

CCL/VSL teams consist of the top players in an age group. The goal is to provide a meaningful, competitive environment through a customized schedule of games and tournaments.

4

CCL/VSL U11-U19

Our goal is to help to support our players beyond their time at Virginia Legacy. Whether they have dreams of playing at the collegiate level or in the pros, we look to find ways to give them every opportunity to succeed.

COLLEGE &
BEYOND

a. Travel Soccer

i. CCL Elite Travel Teams (All Communities combined) (Ages 11-19)

The Elite Travel teams consist of the top players in a particular age group. The Boys and Girls CCL Elite Teams will play matches in the Club Champions League (CCL), which is the top league in Virginia/MD/WVA made up of 18+ top clubs throughout the region, several prestigious tournaments along the east coast, and in Virginia Youth Soccer Association's annual State Cup. The CCL features the top teams from state of Virginia and Maryland. All Legacy Elite teams train 3 times per week with their team. The goal of the Virginia Legacy Soccer Club is to provide a meaningful

competition environment for the Club's U10 – U19 travel players through a customized schedule of League, State Cup, Tournament and competitive Friendly matches.

ii. VSL Elite Level Travel Teams (Williamsburg, Peninsula - Ages 10-19)

VSL Elite Travel teams will play in a competitive environment between the CCL and Premier levels. The Boys Elite teams are called Wizards while the Girls teams are called Phoenix. All Legacy Wizards and Phoenix teams participate in the Virginia Soccer League Inc. (VSL). The VSL provides exceptional regionalized competition from Virginia Beach, Richmond and all areas in between. All Legacy Elite teams train at least three times per week, training is often integrated between other teams to allow for constant observation and evaluation of all players in the age group pool. The goal of the Virginia Legacy Soccer Club is to provide a meaningful competition environment for the Club's U10 – U19 travel players through a customized schedule of League, Tournament and competitive Friendly matches. These teams will be primarily community based and practice/game locations will be dictated by the rosters and coaching staff assigned to these teams. It is the goal that teams named Wizards or Phoenix are placed in the highest level of VSL possible.

iii. VSL Premier Level Travel Teams (Williamsburg, Peninsula, ISA Ages 10-19)

The Boys Premier teams are called Titans while the Girls teams are called Gryphons, and placement is based on the player's geographic location. All Legacy Titans and Gryphons teams participate in the Virginia Soccer League Inc. (U13-U19). The VSL provides regionalized competition from Virginia Beach, Richmond and all areas in between. All Legacy Premier teams train at least two times per week, and training is often integrated between the two teams to allow for constant observation and evaluation of all players in the age group pool. The goal of the Virginia Legacy Soccer Club is to provide a meaningful competition environment for the Club's U10 – U19 travel players through a customized schedule of League, Tournament and competitive Friendly matches. These teams will be primarily community based and practice/game locations will be based on those communities the teams are formed out of.

b. Training Player Program

The VLSC Training Player Program is designed for those players that are interested in travel but are not quite ready to make the commitment, whether it be developmental, or family commitment. Players will be exposed to our individual player development philosophy and have the capability improve their game with one of our professional licensed coaches. This program also allows players that may be interested in the club and have committed to another program but would a more professional, developmental approach to the training environment.

These players have the ability to train up to 3 times a week with a designed VLSC team and have the possibility to guest play with a VLSC team during the season.

c. Advanced Development Program (ADP)

Advanced Development Program (U6-U12 ADP) is the transition stage between the recreational side of the Virginia Legacy Soccer Club and the travel side. This player-centric program offers our younger players the opportunity to be exposed to a more focused soccer environment that will enhance their skills and approach to the game.

The objective of the Legacy's Advanced Development Program is to provide our youngest players with an environment that promotes learning, creative thinking, problem solving, skill development and love for the game in an age appropriate soccer environment.

Our age appropriate curriculum has been put in place to provide our players with the fundamental skills that they will need as they continue to develop. For this reason, our focus at these ages is to develop the individual and small group skills of our players.

d. Recreational Program

The Virginia Legacy Soccer Club is the largest youth soccer club in Williamsburg and, in a partnership with James City County, started offering Recreational Youth Soccer in the Fall of 2012. Today, our recreational program is home to over 1300 players. Girls and boys, ages four to eighteen, of all skill levels participate in one or both seasons in the fall and spring.

The purpose of recreational soccer is to provide the best experience for all levels of players in a safe, non-competitive, progressive environment. Players often start at a young age and as they mature, the program is designed to offer more challenges and developmental opportunities. Some players may choose to move into one of our more skill-focused, competitive programs such as our Advanced Development Program (ADP) for U7 – U12, or our travel program for U10 and above, but the majority of our players continue in our recreational program and enjoy a long and rewarding soccer career.

e. Summer Programs

i. Legacy -- U19 Boys/Girls

The Legacy 76 Academy program is designed to give our rising U17-19's a platform to continue to train in a highly competitive environment during the traditional "down" months of the summer. This program is geared towards those players who are looking to stay sharp technically, mentally, and physically over the summer. With an emphasis on improving the player's technical ability under time and pressure, the focus will be on the players' ability to solve game like situations at game speed.

Legacy-- U14/U16 (Boys and Girls)

The Legacy 76 Academy program is designed to give our rising U13-16's a platform to continue to train in a highly competitive environment during the traditional "down" months of the summer. This program is geared towards those players who are looking to

stay sharp technically, mentally, and physically over the summer. With an emphasis on improving the player's technical ability under time and pressure, the focus will be on the players' ability to solve game like situations at game speed.

The teams will train 2 times a week starting in June and continue through the July. The group will be comprised of a pool of 30 for the summer.

Legacy– U12 (Boys and Girls)

This new Legacy 76 Academy training program is designed to give our rising U11/12 boys and girls a platform to continue to train in a highly competitive environment during the traditional "down" months of the summer. This program is geared towards those players who are looking to stay sharp technically, mentally, and physically over the summer. With an emphasis on improving the player's technical ability under time and pressure, the focus will be on the players' ability to solve game like situations at game speed.

The teams will train 2 times a week starting in June and continue through the July and the group will be comprised of 25 Players.

f. College Placement Program

The VLSC takes pride in its placement of players into college programs and allowing players to continue their careers at the next level. The clubs College Program director will meet individually with families and players to map out a timeline to help each player on their journey to college soccer. This is in addition to personal and team player profile books distributed at tournaments for U16-U19 players as well as the annual college night hosted by VLSC and attended by a panel of college coaches. The VLSC placement in the CCL also guarantees entrance into top college showcase events in the region. To date over 350 boys and girls in the past 17 years have gone on to play soccer at the next level.

g. Olympic Development Program (ODP)

The Olympic Development Program (ODP) is a national identification and development program for elite players. The program identifies players to compete at the state, regional, and national levels. The function of ODP is the identification, selection, and opportunity for development of the state's top player's in a competitive and developmentally appropriate environment. Several members of the VLSC staff are on the VYSA ODP coaching staff at both the district and state levels. All inquiries about ODP should be directed to the club Technical Director.

VII. Facilities

X. Player Standards

a. Dress Code

The VLSC strives to create a professional training environment and hold our players to a high standard. All VLSC players are to wear the correct training and game attire, designed by the club, in coordination with the rest of the team.

b. Cancelations/Inclement Weather

All cancelations of training sessions or games come through the VLSC technical staff. VLSC coaches may not cancel training without consent of the technical staff. Our primary means of communication is via email. For confirmation of training on days with bad weather please pay close attention to your emails or Team App Notifications

c. Attendance/Tardiness

We understand that everyone will at sometime have conflicts with training and or games. It is our expectations that each player will do their best to commit to all sessions, however, if it is not possible you will need to contact your coach via email or phone at least 24 hours prior to the session. This is also extremely important for games. Attendance at training is a factor in playing time during games.

XI. Game Day Procedures

XII. Role of Coaches

A list of all VLSC staff coaches can be found on our club website (www.valegacysoccer.com).

a. Qualifications

All VLSC coaches are USSF or NSCAA licensed coaches or are currently working on obtaining their licenses. We pride ourselves on having the most qualified staff of any club in the peninsula area. Whether it is through the VYSA coaching education program or through our technical staff conducting seasonal coaching education sessions, we highly encourage our staff members to continue to further their education each year. All VLSC coaches are encouraged to attend the training sessions of other teams to help coach and interact with all VLSC players.

XIII. Role of Parents

a. During Training – We ask that the parents respect that the players and

coaches are in a focused, competitive and learning environment and stay a respective distance from the fields during training. We request that the parents stay on or around the bleachers on the opposite side of the players. Please do not coach from the sidelines. Our coaches are highly qualified to coach and educate our players.

b. Code of Conduct – See Signed Form

c. During Games – There is **NO COACHING FROM THE SIDELINE**. This includes telling players where to go or what to do. As a parent you are there to support your child in a positive and constructive manner to them as well as their teammates, teammates parents, coaches, referees and anyone of the opposing team.

Referees are not to be abused in any way. Please do not berate or shout at referees, parents, coaches or players. Coaches are not to be approached by parents either before or after games concerning issues with any players. This is a time when coach and players are to be focused on the task at hand and should not be disturbed. If there is a coaching or players concern please adhere to the **24-hour** rule. All questions or concerns should be addressed with the coach 24-hours after the game has ended.

XIV. Role of Team Manager

The role of the manager for each team is important. Communication from the VLSC staff flows through each team manager to their respective families. Managers will use email, text messages, and phone calls to keep everyone informed with game and practice information on a timely basis.

XV. Guest Player Protocol

VLSC players are encouraged and permitted to guest play for other VLSC teams, or other clubs, at the discretion of the VLSC technical staff. ***Team managers are not permitted to release a player's player card without approval from the VLSC technical staff. If a player would like to guest player with another team they must first contact the VLSC office.*** Once approval is given the age group director will notify the team manager and the player pass may then be released to the player or other teams team manager.

XVI. Player Fees

The cost to participate in the VLSC varies depending on the age of the player and the level of the team. All fees can be found online at www.valegacysoccer.com --- All fees include:
